If you have 2 mortgages on a home can you sell the the home to pay off the first mortgage and keep paying th?

let me explain a little more when we bought the home they gave us 2 seperate mortgages one for \$180,000 and one for \$40,000 we want to sell the house to my girlfriends sister and she is gonna let us still live there. So if we are still paying the second mortgage wouldnt that be fine??

no
