# **New Second Mortgage Modifications**

<http://www.cambridge-credit.org> -- President Obama recently announced that his housing initiative was ready to expand to include second mortgage modifications. The Administration believes that ensuring a homeowners ability to stay in their home is critical to stabilizing the housing market. Once thats achieved, the logic is that the overall financial system will recover in turn. Watch this week's webisode from Cambridge Credit Counseling Corp. to learn more. Host: Community Outreach Director, Thomas J. Fox.

Duration : **0:3:29**
